

NORDAL
IN HOMES SINCE 1995

AUTUMN / WINTER 2022

HAVE A PIECE OF CHOCOLATE

Chocolate brown is back. As it may be dominating this season, the earthy colors and materials are more essential than ever. With its selection of calm nuances, it brings us balance and makes us stay grounded. We are still deeply connected to nature, and therefore the trend of welcoming nature continues.

You will find nature-inspired surfaces and textures in the 2022 Autumn / Winter Collection, with materials such as marble, stone, wood and wickerwork. The tactile textiles give a feeling of being closer to earth and gracefully welcome the lovely sense of touching nature.

In the coming seasons, we will be more daring in our decoration, while continuing to use the classic quality materials we all love so much. In this collection you will also find daring designs, that will make the difference in your home decoration.

Enjoy.
